Cost Breakdown for Summer Workshops

This year, we have broken down the prices to where you can attend per class, or per workshop. As you can see, most of the workshops are two days each, but we do have one on the 14th that is a single day event. Prices adjust depending on the workshop because the amount of instruction time is slightly different (see schedule). The best bang for your buck is going to be registering for the entire workshop, however we know that sometimes schedules don't allow for that. Just be sure as you register, that you choose the correct date if you aren't doing the full two-day event. Also, if you are only wanting to register for certain classes, be aware of what you are signing them up for so you don't put them in the wrong class. For instance, if I want to take Jr/Yth. Latin from Vashti on July 19 only, then I would register for the 8:30-10:00 class with her, and pay the \$25 cost for that class only. Feel free to email studio@extremeballroom if you have any questions!

As you look at the "level" please note that Bronze = Beginner, Silver =Intermediate and Gold=advanced. If you are part of Extreme Ballroom we'd like you to sign up for the level you have been assigned to in the Fall, as these are the levels you will need to "test out of" if you want to try and move up a class level before Fall begins.
