

Extreme Ballroom is excited to announce.....

*"Summer Dance Program for 2021!"*

Each week, beginning July 6, we will have two professionals here for technique workshops and lessons! This replaces our "Summer Technique" program at least for this year, so take advantage of this rare opportunity to increase your dance skills at a great price with minimal time involved! All workshops will be held on Tuesday's and Wednesday's except for Oskar's. See Schedule below.

Here is who will be coming each week! For the most effective results, open couples and established syllabus partnerships, should try and attend the workshops together. Private lessons will also be available and encouraged. They will begin at noon each day. Watch for each instructor's google sheet to come out soon and get signed up ASAP!

Workshops are two days each, and times listed are the same for both days.
