**How to Read the Schedule:** The top of the schedule (with blue headings) lists the **technique** times. The bottom of the schedule (with yellow headings) lists the **team** times. Extreme team members will go to the technique classes associated with their assigned *technique level* (see separate document) and will also go to their team rehearsal time. Non-Extreme dancers will go to the technique classes associated with their level of preparation (typical placement for non-Extreme dancers is marked with a \*\*). If you have questions about which classes to go to, send an email to [studio@extremeballroom.com](mailto:studio@extremeballroom.com) and we can help you).

Please note that gold level youth dancers have some options. Once you choose a class, stay in that class for the whole week. As you are making your choices, please consider the following: 1) A few of our dancers are Gold 1 level in one style and Gold 2 level in another style. Please go to the classes associated with your level for each style. 2) Make sure that you choose at least one class in each style (Latin and Ballroom).

Parents, please also pay special attention to the days your child attends for **team** rehearsal, as some of them come Mon.-Wed and others Tues.-Thurs and some come all 4 days depending on if they are in showcase as well as medley.

Once you have followed this "how to" section, if you still have any questions, you can e-mail the studio at [studio@extremeballroom.com](mailto:studio@extremeballroom.com) and someone will follow up with you.

**Registration & Payment:** Everyone who is a member of Extreme is already automatically registered. However, payment ahead of time is HIGHLY recommended, or you could be standing in some really long lines. If you would like to do e-check, and are registered for it, e-mail the studio at [studio@extremeballroom.com](mailto:studio@extremeballroom.com). You can also mail in your payment (as long as we receive it by July 30). If you are not a member of Extreme, you will need to register and pay online. You can do so by going to our website, [extremeballroom.com](http://extremeballroom.com). **Kids, please invite your friends!** This is such a great opportunity for growth for any dancer or those who want to become dancers!

On August 1, first day of camp, doors will open at 7:30 a.m. They will remain open for each grouping of classes that come, so arrive early enough to make it to your class on time, if you still need to pay. If you have pre-paid, go to the pre-paid sign, pick up your nametag and they will let you right in. All lines will be outside in front of Studio B and are arranged according to age. Payment **MUST** be made before student can enter the camp.

**Parents of Pee-Wee's:** Please note that your child's classes are on **Monday, Tues, and Wed from 12-1**. The 2nd day of pee-wee camp is "**Bring a Friend to Dance Day.**" After class those who would like to can meet at the Ammon Splash Park for a pizza party till 2:30 with the friends they brought to dance! Parents, be sure to transport them to this and stay with them. We will provide the pizza and drinks!
