Waiver for private use of the Extreme Ballroom Studios for 18 yrs and older

This waiver is specifically for dancers 18 years or older to be allowed to use the Extreme Ballroom studios for ballroom practice only from 8am – 9pm, Monday through Saturday. After 9pm, no dancers are allowed in the studio without a staff member or coach present or on the premises. This waiver is only for those dancers who have an active Extreme Ballroom practice membership.

I am a legal adult (18+ years) and have an active monthly practice membership for Extreme Ballroom. I understand that I will be using the Extreme Ballroom studios privately (by myself or with my partner), and that there will be no adult or coach on the premises. I understand that if any injury or accident happens, there will not be a staff member there to help, and I waive any responsibility that might be put on Extreme Ballroom Company as well as Tim and Staci Huston. I acknowledge that the only activity I should be doing is ballroom practice and that any horseplaying, sexual conduct, going into the front desk area, entering Staci's office, or touching or messing around with anything outside the normal ballroom practice items (speakers, bathrooms, fans, etc) is prohibited. I understand if I act in a way or touch anything that is against the rules of the studio, Staci Huston has the right to refuse me private access to the studio or to remove my practice membership, whichever she deems fit. I understand that I am not allowed at the studio past 9:00pm on any day if a staff member or coach is not present. I also understand that it is not my privilege to share the studio code to the front door or Pit with anyone but my partner.
